INVITATION LETTER

To whom it may concern,

I am writing this letter to invite three or four academic teachers who would begin cooperation in the didactic process in the field of geology, environmental protection and urban green planning at the University of Sonora in Hermosillo (Mexico), for one month from November-December 2019. We kindly request to contact 3-4 sustainable visitors, and we are looking forward to your reply.

The expenses to their visit to Hermosillo will be afforded by POWER Program and your University. If you have any questions, please don't hesitate to contact us.

Sincerely yours,

DR. FRANCISCO JAVIER GRIJALVA NORIEGA
CHIEF OF GEOLOGY DEPARTMENT
UNIVERSITY OF SONORA
