Subject: invitation letter
Torino, February 22, 2023

To whom it may concern:

I am writing to invite one member of the academic staff from the University of Wrocław to visit the Interuniversity Department of Regional and Urban Studies and Planning (DIST) of Politecnico di Torino and the University of Turin, Italy, to establish cooperation in the didactic process in the field of territorial, urban, environmental and landscape planning, with particular reference to the pedagogical activities organised and managed in the framework of our School of Planning.

I would like to invite the identified person to visit our facilities for six days in May 2023. The organisation of the visiting period will be supervised by professor Giancarlo Cotella. The present invitation does not entail any financial commitment from the DIST side.

In the light of the above, we kindly ask you to identify one sustainable visitor.

We look forward to your reply. Don't hesitate to contact us in case you have any questions.

Yours sincerely,

prof. Andrea Bocco, Ph.D.
Director
